SUMMARY

**Manoj Kumar Raju
Chamarthi**

B.Tech 2nd Year Student | Aspiring Software Developer

I am a dedicated and enthusiastic B.Tech second-year student with a **strong foundation in C, Python, and Java programming languages**. I have actively participated in the Smart India Hackathon, gaining valuable experience in problem-solving and teamwork. Additionally, I completed a course with **Smart Interviews Organization**, further enhancing my technical skills and knowledge in the field of software development. **I am a hardworking individual** eager to apply my learning in a real-world internship setting and contribute to the growth and success of the organization.
